

Morrison Center

Current Volunteer Opportunities at MDC!

Do you enjoy woodworking? We have several "projects" for you!

Level & repair an outdoor wheelchair ramp so consumers may go outside in nice weather...

Build wood planters for our tenderly grown greenhouse plants...

Our building is very tired! Assist our staff with building and fixture maintenance...

We even have simple carpentry projects you can complete at home!

Do you have a green thumb...or would you like to learn about plants?

Become a greenhouse volunteer! Assist our staff & consumers with watering our multitude of indoor & outdoor plants!

Coach our consumers as they work outside of our building cutting grass & performing simple ground maintenance...

Are you a physically strong person who hates going to the gym?

Help us to "weather" the season by installing our window air conditioners...

Do you enjoy speaking with the public & meeting new people?

Volunteer one day each month to answer our telephones & greet the public...

Lend a hand bi-weekly or monthly to our administrative assistant performing various office functions...

Is Mr. Clean your idol?

Volunteer quarterly to clean & disinfect various building items, furniture & toys in our preschool classroom and/or therapy rooms...

Do you wish you could idle away the day playing ball?

Volunteer for 1/2 hour 1 time each week to play ball with two of our school age students.

Change the world for future generations...

Come to the Center for a tour & learn about our programs first hand...

Help us to spread the word – introduce us to your family & friends!

Host a "Learn about Morrison" event for your family & friends.

Become a supporter of MDC – donate!
